# ELECTRIC FIREPLACE

Two (2) Styles of the Electric Fireplaces

## Napoleon 33" Ascent

Shown with optional stone surround with box beam mantel, flush hearth, and shiplap.

## Surround Options

This fireplace is the traditional, square box style. Any of our surround options can be added to this fireplace.

# ELECTRIC FIREPLACE

## 40" or 48" SimpliFire Allusion

Shown with optional accent paint on the built-in wall.

## Surround Options

Any of our surround options can be added to this fireplace. However, one advantage with this contemporary style is that it looks nice without any additional surround. A recommend option for minimal cost is accent paint on the built-in wall giving it a pop of color.

## Optional Mantel

BOX BEAM MANTEL (STAINED)
